

**CITY COSTA MESA
MEMBER OF THE CITY COUNCIL**

KATRINA FOLEY

AGE: 37

OCCUPATION: Costa Mesa Planning Commissioner/
Businesswoman

Now, more than ever, Costa Mesa needs professional, experienced and balanced leadership to plan our future.

I have been a Planning Commissioner since 1999. My husband, Casey, is a local teacher who grew up in Costa Mesa. Our boys, Sam and Ben, attend Costa Mesa schools. We are Mesa del Mar homeowners who have a real interest in this city's future.

I understand the issues facing our community. I volunteer as a director for Newport-Mesa School District and Coast Community College Oversight Committees, Girl Scouts Council of Orange County, and PTA. I am also working with Costa Mesa United to build an Aquatic Center and Athletic Stadium for our two high schools.

As your Councilmember I will support:

- Public safety to protect our families,
- Infrastructure improvements, especially safe and clean routes to schools,
- Protection of funding for recreation and parks.

I oppose:

- Schemes to sell the Fairgrounds to developers,
- Further expansion of John Wayne Airport.

A business owner and managing law partner, I have experience in business planning and operations. I will work hand-in-hand with businesses, community members and our school and college districts to maximize our limited resources.

I respectfully ask for your vote.
